The Car Supply.

A total of 1,070 cars are in the region today. This is against 1.013 last Tuesday. The placement of cars at 7 c'clock at the mines totaled \$70 which is a slight improvement over last Tuesday when \$13 were placed. The cars in the region today are composed of 9.84 box and 51 coke. Production Loss.

Little lost coal production was noted in the region yesterday because none of the 175 mines were down and only 133 men were idle. The loss in tonnage was 1,220.

Gathering Data.
For the purpose of showing just what the mining industry did in the last Liberty loan drive the secretary of the Northern West Virginia Coal Operators' Association, has sent a letter to every member asking him to submit certain data. A compilation of the figures will show that the mining companies and the miners have
